"The Dr. King Story"

Dan Buchanan lives in Brighton Ont. And is known around Northumberland County as "the History Guy". He has a database of well over 90,000 individuals radiating out of his own families which settled in the north end of Brighton Township. In July 2015 Dan published his first book called "Murder in the Family: The Dr. King Story" and conducted an extensive book tour telling the story of his relative's despicable behaviour in becoming the only person ever executed in Northumberland County. The book has been a success with good reviews and excellent sales and Dan is anxious to pursue the role of author with a second book which is in the works.
