HEALTH, DENTAL & TRAVEL INSURANCE

A number of our Members have enrolled in their choice of insurance programs available through our working partners, Johnson Inc. Check out their special web site which can be found at www.johnson.ca/probus or call toll free to their office at 1-888-412-8822 and identify yourself as a PROBUS Member and give the name of your PROBUS Club as well. Let them know of your needs and they will provide the information to you.

Directors' & Officers' Liability Insurance is Now Automatic for PROBUS Clubs in Canada !!

PROBUS CANADA is aware of the interest that many of our local Clubs have in obtaining insurance to protect their Board of Directors, Officers, Committee Members and Volunteers. We are pleased to advise that a solution has now been secured. Through HUB International Insurance Brokerage, PROBUS CANADA is pleased to provide to each local PROBUS Club, Directors' & Officers' Liability Insurance Coverage that is comprehensive and is part of your annual renewal of membership and liability coverage.

What is Directors' & Officers' Insurance designed to do?

The Board of Directors / Management Committee of each local PROBUS Club carries a responsibility to make sure that the operations of the local Club are managed appropriately. In the event that a PROBUS member or outside third party believes that the management team has exercised its management authority inappropriately, the PROBUS Club's Board of Directors, Officers, Committee Members and/or Volunteers could be held liable for the resulting damage. A bus trip organized by a PROBUS Club that results in an accident for which the management team is held responsible (e.g. it was poorly organized and the choice of bus charter was inappropriate/dangerous) could well result in a lawsuit for which coverage under a Directors' & Officers' Liability insurance policy could be triggered.

Where can additional information, regarding the Directors and Officers insurance program or the Third Party Liability Coverage, be obtained ?
